HELP**

Do you need Help?

**Great Ellingham Helpline
07592 660740**

A friendly voice to support you during the
Coronavirus crisis.

Please call our volunteer helpline and we will put you in touch with someone who lives close by and has offered their time to help out. We could get you food, prescriptions, walk your dog, provide a meal or just have a chat.

Sadly, we will not be able to enter your home, take you to appointments or babysit to protect the health of everyone concerned.

Sponsored by Great Ellingham Parish Council

Could you help?

The helpline is a single number our neighbours can ring to be introduced to a volunteer. If you can help, please let us know and we will add you to our list. As people fall ill or self-isolate, we will need more volunteers.

We also need people to man our helpline on a rota basis and match volunteers to those who need help. *Please join us!*
